

Apel w sprawie pomocy dla Ukrainy

The humble voice of TPN is heard in Western New York. This time in Am-Pol Eagle weekly and Polish American Radio Program (PolishProgram.com). As a more than 110 years old NGO from the city of Przemyśl we are calling for help for Ukraine and to support the local inhabitants of Przemyśl who are making the world a bit happier for thousand of refugees from Ukraine crossing the border every single day and heading further west. Thank you, Andrew and Gloria Wise, Andy Gołębiowski, Brian Hammer, Kumru Toktamis, Daga Karnowski, Sean Martin and many others for spreading our mission..
